

2019 HSA & Statewide Misc. Vendor Deduction Calendar

All records **must** start on the first day of a pay period and *HSA records can only start on the first pay period of the deduction month. HSA deductions are not retro-relevant and must be created prior to the start date of the record. *EX: If the HSA monthly deduction is for April, the record would have had to be created by 03/24/2019.*
